 - Ch 61 land
 - Milford Water Co
 - - - New Trails by REC

Map prepared by C.H. Dauchy for the Hopkinton Trails Club in discussion with the Hopkinton Trails Coordination and Management Committee. Draft for discussion, 1/9/22

Note: This plan was prepared from existing publicly available GIS information, a plan titled "Upper Charles Trail Map Overall Schematic" dated Dec. 2021 (via ehop), and field reconnaissance with approximate GPS surveys. It is to be used for discussion and planning purposes only and not for property transfers. Proposed trail routes may be adjusted to accommodate surveyed and pinned property lines, topography, locations of significant trees, wetland regulatory considerations, public comment, and property owner negotiations.
